North South Power Company Limited Code of Conduct

1.0 Purpose

North South Power Company Limited is committed to conducting its procurement activities with integrity, transparency, and accountability. This Procurement Code of Conduct outlines the principles and standards that guide our procurement practices.

1.1 Scope

This Code applies to all employees, officers, directors, agents, contractors, and suppliers involved in the procurement process.

1.2 Principles

1.2.1 Fairness and Transparency: Procurement processes will be fair, transparent, and free from bias.

1.2.2 Compliance with Laws and Regulations: All procurement activities will comply with applicable laws, regulations, and company policies.

1.2.3 Conflict of Interest: Employees and contractors will avoid conflicts of interest and disclose any potential conflicts.

1.2 .4 Confidentiality: Procurement information will be kept confidential and only shared with authorized personnel.

1.2.5 Accountability: Employees and contractors will be accountable for their actions and decisions in the procurement process.

2.0 Procurement Practices

2.1 Competitive Bidding: Procurement will be conducted through competitive bidding processes, unless otherwise justified.

2.2 Evaluation Criteria: Evaluation criteria will be clearly defined and communicated to bidders.

2.3 Contract Management: Contracts will be managed in accordance with company policies and procedures.

3.0 Conflict of Interest Policy

3.1 Purpose

North South Power Company Limited is committed to maintaining the highest standards of integrity and avoiding conflicts of interest in its procurement activities.

3.2 Scope

This Policy applies to all employees, officers, directors, agents, contractors, and suppliers involved in the procurement process.

4.0 Definitions

4.1 Conflict of Interest: A situation where an individual's personal interests or relationships conflict with their duties and responsibilities to North South Power Company Limited.

4.2 Related Party: An individual or entity that has a personal or business relationship with an employee, officer, director, agent, contractor, or supplier.

5.0 Prohibited Conduct

5.1 Self-Dealing: Employees and contractors are prohibited from participating in procurement decisions that involve themselves, family members, or related parties.

5.2 Gifts and Hospitality: Employees and contractors are prohibited from accepting gifts or hospitality from suppliers or potential suppliers that could influence procurement decisions.

5.3 Confidential Information: Employees and contractors are prohibited from disclosing confidential information to related parties or using such information for personal gain.

6.0 Disclosure Requirements

6.1 Conflict of Interest Disclosure: Employees and contractors must disclose any potential conflicts of interest or related party relationships to their supervisor or the procurement department.

6.2 Annual Declaration: Employees and contractors must provide an annual declaration of any changes to their conflict-of-interest disclosure.

7.0 Consequences of Non-Compliance

Failure to comply with this Policy may result in disciplinary action, up to and including termination of employment or contract.

8.0 Reporting and Investigation

Reports of suspected conflicts of interest or non-compliance with this Policy should be made to the Chief Operating Officer of North South Power Company Limited.
All reports will be investigated and addressed in accordance with company policies and procedures.

9.0 Review and Update

This Policy will be reviewed and updated annually, or as necessary.

10. Acknowledgement

All employees, officers, directors, agents, contractors, and suppliers involved in the procurement process must acknowledge that they have read, understood, and will comply with this Policy.

☐ I agree.

By implementing this Procurement Code of Conduct and Conflict of Interest Policy, North South Power Company Limited demonstrates its commitment to conducting business with integrity, transparency, and accountability.
